Scroll 1	Hero	<i>Headline</i>	Your Home. Elevated.	Keep — it works		
Scroll 1	Hero	<i>Body</i>	Bring the intelligence of dual-stream ionized water into your kitchen. Clean produce. Pure hydration. Every single day.	Replace with: 'Estoqi installs under your counter. Two outlets, two streams — one for washing your family's food, one for drinking. Used by every family member, every meal.'	Real Indian kitchen with Estoqi installed (photo or short video)	More specific. Lands in the daily ritual.
Scroll 1	Hero	<i>Primary CTA</i>	SCHEDULE INSTALLATION CALL	Replace with: 'Request for a Demo'		Currently NO pricing visible on this page — major D2C friction. Even 'Starting at ₹X' would unlock impulse.
Scroll 2	Simple. Professional. Seamless.	<i>Headline</i>	Simple. Professional. Seamless.	Keep — clean rhythm		
Scroll 2	Step 01	<i>Title + Body</i>	Site Assessment / Our certified technician visits your home to assess the kitchen plumbing, available space, and water source quality.	Keep		
Scroll 2	Step 02	<i>Title + Body</i>	System Installation / The ESTOQI unit is installed under the counter or on the countertop, connected to your main water line with food-grade tubing.	Keep		
Scroll 2	Step 03	<i>Title + Body</i>	Dual Outlet Setup / Two dedicated faucets are installed — one for 11.5 pH produce cleansing and one for 9.5 pH drinking water.	Keep

ADD [NEW]	Testimonials	—	—	ADD new section: 'Families using Estoqi'. 3-5 short testimonials from real customers	Testimonial videos / quotes from real customers (3-5)	Conversion-critical. D2C wellness without testimonials is hard sell.
ADD [NEW]	FAQs	—	—	ADD FAQ section: installation timeline, water TDS compatibility, warranty, what if I move?, electricity consumption		Reduces friction; reduces sales call burden.
ADD [NEW]	What's In The Box	—	—	ADD: Manual, Testing, Ionizer	Product photography of all components
